## About Us

Established in 1996, Health Care Compliance Association (HCCA)® is a member-based association for healthcare compliance professionals. Serving more than 12,000 members across the country, we're dedicated to enabling the lasting success and integrity of those working in, working with or supporting healthcare organizations. Incorporated in 2011, Society of Corporate Compliance and Ethics & Health Care Compliance Association is a 501(c)(6) non-profit organization.

Our members include compliance officers and staff working in hospitals, research facilities, clinics, and technology services providers, as well as anyone providing services or goods to these organizations or the compliance community. Each member has direct access to our CEO, Gerry Zack.

## HCCA's Mission Statement

The Health Care Compliance Association exists to champion ethical practice and compliance standards and to provide the necessary resources for healthcare professionals and others who share these principles.

Our vision is to be the pre-eminent compliance and ethics association promoting lasting success and integrity of organizations worldwide.

## Major Functions

To promote the highest standards in compliance programs—from their introduction and development to continuing maintenance.

To create high-quality educational training events and resources to support individual professional growth.

To provide a forum for interaction and information exchange for the health care compliance community.
